Review: This should be required reading for every parent and especially the husbands. It was an eye opener for me. I come from a family of five sons. I had a daughter and had no idea of the world girls must navigate. Even my friends who have sisters were oblivious too. I have met many A type women who had no idea this type of world existed and, after my...

Description: The national bestseller Odd Girl Out exposed a hidden culture of cruelty that had always been quietly endured by American girls. As Rachel Simmons toured the country, these girls found their voices and spoke to her about their pain. They wanted to talk-and they weren't the only ones. Mothers, teachers, counselors, young professional women, even fathers,...
